Post 1: Fall Menu Reveal (Carousel)

Visual / shots (5 slides, 1080×1350):
1. Overhead of the full fall spread on the reclaimed-wood table, window light, with the title "Fall at Golden Tule" in Inter Bold, centered
2. Close-up: roasted delicata squash with brown butter and sage

3. Close-up: persimmon & burrata salad
4. Braised short rib over polenta, with steam visible (shot right away, no fake steam)
5. Text slide on Valley Cream: "New fall menu · Dinner Tue–Sun from 5 PM · Reserve: link in bio"

Caption (IG/FB):

> The fall menu just landed, and the short rib is already causing arguments in the kitchen. 🍂
> Roasted delicata, persimmon & burrata, slow-braised short rib over Sacramento-grown polenta.
> Dinner Tue–Sun from 5 PM in Midtown.
> Reserve your table: link in bio.

Alt text: "Overhead of four fall dishes on a wooden table: squash, persimmon salad, short rib, and polenta."
Fact checks needed from client: dinner days and hours, where the polenta comes from, the reservation link.

Post 2: Kitchen B-Roll Reel

Concept: a 15s ASMR-style build of the persimmon salad. No talking, just a burned-in text hook.
Shot list (phone, 4K/30, vertical):
Time	Shot	On-screen text
0–1.5s	Extreme close-up: knife slicing persimmon	"The salad people drive across town for"
1.5–5s	Hands tearing burrata (top-down)	–
5–9s	Drizzle of honey-chili oil, slow-mo 60fps	–
9–12s	Plate slid across the pass to the server	–
12–15s	Diner's first bite (consented guest or staff), soft focus	"Persimmon & burrata · Fall menu"

Audio: a commercially licensed track from IG's or TikTok's commercial library or our royalty-free subscription. Log the track ID.
Caption: "Persimmon season is short. This salad is shorter-lived. 🍊 Fall menu, Tue–Sun. #SacramentoEats #FoodTok #GoldenTuleKitchen"

Post 3: Google Business Profile Update

Image: front patio at dusk with string lights, 1200×900, sign visible.
Post text:

> Golden Tule Kitchen's fall menu is here: roasted delicata squash, persimmon and burrata salad, and braised short rib over polenta. Dinner is served Tuesday through Sunday starting at 5 PM, with heated patio seating in Midtown Sacramento. Walk-ins welcome; reservations recommended on weekends.

Button: Book · **Checks:** hours match the GBP hours field, and the patio heaters really exist.

Post 4: Brunch Teaser (Story + FB)

IG Story (3 frames):
1. Blurred close-up of a golden pastry. Text: "Something's coming to Saturday mornings..."
2. Poll sticker: "Sweet or savory brunch person?" 🥞 / 🍳
3. Countdown sticker: "Brunch at Golden Tule · Sat Nov 7"

FB post:

> Midtown, we heard you. Weekend brunch starts this Saturday, Nov 7, 9 AM–2 PM. Sneak peek: brown-butter pancakes and a chilaquiles plate we're very proud of. See you Saturday? ☀️

Post 5: Brunch Launch Reel

Concept: "Saturday morning in 20 seconds": a quick-cut montage synced to the beat of a licensed track.
Shot list:
- Door unlocking / open sign flips (0–1s). Hook text: "Brunch is officially open ☀️"
- Coffee pour, pancake flip, chilaquiles plating, mimosa clink (from staff/consented guests), patio wide shot with sun (1–16s, roughly 1s cuts)
- End card (16–20s): "Sat & Sun · 9 AM–2 PM · Midtown"

Caption:

> Brunch is OPEN. ☀️ Brown-butter pancakes, chilaquiles, and patio sun every Sat & Sun, 9 AM–2 PM.

Post 6: Meet the Farmer

Visual: portrait of the (fictional) partner farmer at the farm stand holding a crate of squash, with consent form on file. 4:5.
Caption:

> Meet Rosa from (fictional) Willow Slough Farm, about 30 minutes from our kitchen. 🌱 Every delicata on the fall menu comes from her fields.
> Farm-to-fork isn't a slogan here. It's a Tuesday-morning delivery.
> #FarmToFork #SacramentoFarms #GoldenTuleKitchen
> *(Real-client note: verify the farm name, distance, and the "every" claim before using any line like this.)*

Post 7: Tule-Fog Comfort Bowl Reel

Concept: moody 12s piece. A foggy window outside (real fog footage only; if there's no fog that week, change the hook rather than fake it), then the steaming bowl.
On-screen hook: "Tule fog season = soup season"
Caption: "When the fog rolls in, the miso-squash soup rolls out. 🌫️🍜 Available through winter. #SacramentoEats #CozySeason #GoldenTuleKitchen"
